Ideas this week are from the Merry Life Group

We're an all-stages, all-ages group of folks committed to keeping it real with each other. During the school year, we meet every Sunday night from 5:00-7:30 p.m. Summertime is play time, so we won't be having a weekly meeting, but will still get together for barbeques and D-back games. Contact Jeff Merry 602-869-0889 x 117 for more information.
