

Hello Moon Valley Family,

After hearing Gina speak this past Sunday I hope that these questions will be helpful as you continue to think about doing justice in your immediate context and with your church family.

- 1.) Who are the vulnerable in my immediate context (family, work, neighborhood, etc)?
- 2.) Who are the vulnerable in my general context (neighborhoods near mine, people I see walking on our street, those people/groups around Moon Valley Bible etc)?
- 3.) What season am I/we in, and how does this affect how I/we care for the vulnerable?
- 4.) What are my assets (giftedness, financial resources, skills, areas of influence, etc)?
- 5.) How can I use these assets to care for the vulnerable in my immediate and general context?

Please, feel free to email your thoughts to me at caleb.mitchell@moonvalleybible.org. I cannot promise that every vulnerable person will be cared for or that every asset will be used, but your responses can help us in leadership begin to answer some of these questions for our church.

Blessings,
Caleb
